DELIVERING ECONOMIC VALUE TO CANADIANS

## 3 REASONS

Canadians believe  
supply management  
is important

### Consumers

Allows Canadians to buy fresh, local, high-quality products.

### Communities

Creates jobs and opportunities in our communities.

### Farmers

Supports and protects Canadian farmers.

## Canadian egg farmers:

- Operate more than **1,000 farms** in all 10 provinces and the Northwest Territories.
- Support over **17,600 jobs** across the country.<sup>1</sup>
- Contribute **\$1.37 billion annually** to the Canadian economy.<sup>2</sup>
- Produce more than **732 million dozen eggs** each year.<sup>3</sup>

**MORE THAN 90%**  
of Canadians trust the quality standards of  
food from Canadian farms.<sup>4</sup>

## Driving growth and innovation

Thanks to supply management  
our farmers:

- Care for their hens by following a national **Animal Care Program**, which includes inspections and third-party audits.
- Meet world-class on-farm food safety standards thanks to the **Start Clean-Stay Clean™** program.
- **Invest in innovation** and **research** in egg production, poultry science, animal and human nutrition, and economic and environmental sustainability.
- Actively **support their communities** through major partnerships with food banks, breakfast programs and charitable organizations.

---

**92%** of Canadians say it is  
important that the eggs  
they consume come from Canada.<sup>6</sup>

---

## Opening the door for the next generation of leaders

The stability provided by supply management opens the door for new farmers and the next generation of agriculture leaders.

- **1 in 5 egg farmers** are new to the industry. Others will be up to the **10<sup>th</sup> generation** to farm.
- **30% of egg farmers** are under the age of 45.
